Top 30 UK universities 2014

100% of universities in the Top 30 of the Times and the Sunday Times Good University Guide 2014 have accepted students from Kings.

Below is a map showing the geographical location of each of these universities, and some of the Kings students who have won places to study at them.

For more information on our courses, colleges, and alumni, please visit www.kingscolleges.com

The Kings five-point plan to university success

1. Reputation with leading universities
The quality of our programmes is recognised by the widest choice of universities

2. Exceptional academic results
83% of our recent A-level students gained A*-B grades

3. Specialist University Application Programme
Our expert university counsellors will ensure you make the right university choice

4. Personal pathways to university
Our flexible courses mean we can create an individual path to university for you

5. Extracurricular Development Programme
Plenty of opportunities to improve your resume will help you become a "stand-out" student

3 **University of Surrey**
Location: Guildford, England
Students sent from Kings: A-level, Foundation
"I would strongly recommend Kings. Kings gave me a lot of help with my personal statement and my IELTS improved from 4.5 to 6.5. The smaller environment at Kings is the best preparation for university-level studies."
Yao Yao Chen from China, now studying International Hospitality Management

9 **University of Cambridge**
Location: Cambridge, England
Students sent from Kings: A-level
"The best thing about studying at Kings is the free and friendly atmosphere. We students really made great friendships with each other and with the teachers. I am still in regular contact with some friends from Kings."
Yuchen Cai from China, now studying Computer Science

3 **London School of Economics and Political Science**
Location: London, England
Students sent from Kings: A-level
"When I was doing my A-levels at Kings, my teachers always encouraged me to think critically about what I was studying. They always pushed me out of my comfort zone and introduced me to a variety of different viewpoints."
Truc Doan from Vietnam, now studying Sociology

24 **School of African and Oriental Studies**
Location: London, England
Students sent from Kings: Foundation
"My tutor has helped me step by step with my application to university and made some really helpful suggestions. The academic study enabled me to gain entry to University College London, which is the university I wanted."
Min Yao Luo (Yoyo) from China, now studying Mathematics

5 **Imperial College London**
Location: London, England
Students sent from Kings: A-level
"Kings helped me to write a great statement and it's one of the reasons I was able to come here to Imperial. The teachers at Kings taught me so much about mathematics and they helped me to really prepare for the university interview. I learned a lot from Kings."
Yaoyu Zhu from China, now studying Mathematics

27 **King's College London**
Location: London, England
Students sent from Kings: A-level, Foundation
"The course I'm studying at Royal Holloway is really successful and I'm enjoying it. I'd say thank you Kings for helping me through this and I stay in touch with most of the staff and the friends I made there."
Piern Kongsamut from Thailand, now studying Media Arts

28 **Royal Holloway, University of London**
Location: London, England
Students sent from Kings: A-level, Foundation
"Kings is a perfect foundation for further professional career development. The unique blend of tradition and innovation in teaching greatly enhanced my academic skills, as well as imbued me with an important understanding of the major sciences and arts."
David Manasyan from Russia, now studying Politics and International Relations
