

Monash University Medical School

Monash Medical, Nursing and Health Sciences

A Pathway from Kings to Monash

Kings is partnered with the prestigious Monash University to offer a pathway to all of its undergraduate courses, including Medicine.

Monash University enjoys an excellent reputation for research and teaching excellence in its short 50-year history, both in Australia and globally, where it is consistently ranked as a Top 100 institution.

Monash University is a member of the Group of Eight, an alliance of leading Australian universities recognised for their teaching excellence and research.

monash.edu

- Raise English to university level
- Develop learning and self-study skills for degree level
- Full preparation for participation in the MMIs
- Develop relevant working experience required for entry into medical school

One-year Foundation pathway

You will follow the specialist Kings Advanced Level Foundation. This is based on A-level and taught by A-level teachers.

You will study Biology or Chemistry, plus a minimum of one further Science (Biology, Chemistry, Maths, Physics) along with the compulsory subjects of Data Handling/Statistics and Communication/Study Skills. Any other subject is acceptable as the third option, with the exception of Further Maths.

Two-year A-level pathway

You will study Biology and Chemistry at A-level, as well as either Maths or Physics.

Monash University entry criteria

After successfully completing your course at Kings you will have the opportunity to apply for the Monash University medical course (M6011 Bachelor of Medical Science and Doctor of Medicine).

Academic

- A-levels: ABB
- Foundation: Minimum score of 90% overall (including Chemistry)

English

- Communication and Study Skills: 75% or IELTS overall score 7.0 (no band below 6.5)
