

St George's University, Medical School

St George's Medical School pathway

Kings is partnered with St George's University, Medical School, to offer a unique pathway to this independent Medical School.

Founded as an independent School of Medicine in 1976, St. George's University enjoys an outstanding reputation among international medical schools and is #1 provider of doctors in the US. Each year it welcomes students from over 140 countries to its campuses in the UK, Grenada, and India, who then complete their clinical rotations in its 70+ affiliated hospitals in the US and UK in the last two years of their MD program.

Through the partnership with Northumbria University, Newcastle-Upon-Tyne, SGU offers the choice of studying in either Grenada or the UK. Two-year clinical placements are available in Grenada, the UK or the USA.

At a glance
