## Two-year A-level pathway

You will study a range of standard A-level subjects, choosing from:

- Biology
- Chemistry
- Physics
- Mathematics

as well as a range of other potential subjects.

## **One-year Foundation pathway**

You will follow the specialist Kings Advanced Level Foundation. This is based on A-level and taught by A-level teachers.

Each of the three sciences will be taught:

- Biology
- Chemistry
- Physics

## **UCLan Medical School entry criteria**

UCLan accept applications directly, not through UCAS. So you have until the end of January to submit your application.

### **Academic**

- A-level: AAB
- Foundation: Minimum 70%, with at least two science subjects including Chemistry

### **English**

- IELTS 7.0 (minimum 7.0 in each category)

### **MMIs**

You will usually need to attend MMIs (Multiple Mini Interviews). Kings will prepare you fully for these.

UCLan do not require students to sit the UCAT.

### **Other progression options**

If you successfully complete the programme but decide to apply elsewhere your Kings UCAS Counsellor will help you find the best alternative course or university.
