

What universities say

University of Leeds

"The University of Leeds welcomes applicants studying at Kings Colleges in the UK. We participate in fairs at the Kings colleges, where we have met many enthusiastic and well-qualified candidates. We look forward to considering applications from students at Kings and wish them well in their studies."

UNIVERSITY OF LEEDS

Loughborough University

"When I reflect upon the achievements of Kings students at Loughborough University, they stand out by virtue of their generally above-average degree results and their willingness and ability to immerse themselves in the life of our vibrant student community."

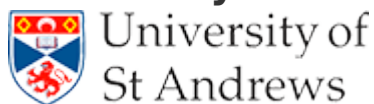

Having often liaised with Kings admissions and teaching staff, I can assuredly put these successes down in large part to the sound preparation for university life that Kings students receive."

Queen Mary University of London

"We are consistently impressed by the academic calibre of Kings students who seem to be well prepared prior to commencing their studies at Queen Mary University of London."

University of St Andrews

"We have been delighted with the students who have come to us through Kings. Each has immersed themselves in all aspects of University life and has come well prepared for the academic rigours involved."

Newcastle University

"I have always been extremely impressed by the quality of students, the professionalism of the Kings staff and the wonderful commitment that is shown to their students."

University of Bath

“We have been working with Kings Colleges for a while and each year, some of their best students come to the University of Bath to study. Kings can be an excellent basis for ambitious students wanting to secure a good university degree. Kings students are particularly keen on the work experience they can gain through our well-known placement scheme.”
