

# GO:50 at CSU Fullerton

## Years 1 and 2 at Fullerton

California State University – Fullerton offers students the comprehensive American campus experience.

From Day 1 you will be taught by CSU Fullerton faculty and take part in life on campus.

Alongside study and life at Fullerton, you will benefit from the one-to-one support of our Kings Progression Advisor.

They will communicate with you about your plans, discuss the best study plan and help with extracurricular so that you can gain the academic credits and the profile that Top 50 universities look for.

We strongly encourage students to engage and take part in clubs, societies, sports and athletics and make the most of the experience but at the same time, we are available to assist and resolve any issue the student may face while adapting to life in the USA.

We'll help you apply for a transfer to your school of choice.
